

What makes *memberawards.com*  
a leading provider of  
custom-designed reward programs?

- Years of experience managing promotions
- Continuous member promotional engagement
- Web-based account and award success
- An extensive award selection
- Energized, friendly, efficient customer service

**Our goal is to provide the most cost-effective solution to any business or organization that is looking to increase brand awareness and market share.**

“A successful e-commerce storefront presence requires effective tools for online customer activation and retention. Branding your online presence to potential buyers is strategically imperative for future expansion.”

*The memberawards.com program is a highly effective tool for increasing product sales, retaining existing customers and attracting new business!*

## Our Incentive Programs Get Results

### Flexible Web Solutions for Your Customers

If your business requires a cost-effective incentive solution for rewarding customers, look no further.

### Our Online Incentive Programs

Customer and corporate credit/debit card portfolio average over 25% increase in net purchase activity after the first year of our rewards integration. Member accounts closure decline significantly after reward program exposure.

### Build Online Customer Loyalty and Retention in Merchant Storefront e-commerce Portals

Increase of over 20% in multiple product sales volume from returning customers enrolled in our integrated rewards storefront programs.

Our program will **motivate** and **reward** outstanding performance and loyalty.

### *What Do Our Clients Say About Us?*

*A client for whom we did an extensive website design for no additional charge*

“It looks GREAT! Thank you for doing both of these items so quickly. Please don’t hesitate to bill us for your time as you have been wonderful about handling our change request promptly.”

*A bank client to our IT personnel for responding quickly to a request from the bank auditor*

“Thank you for getting the files to me so quickly. Our controller will greatly appreciate it!”

*A new client to our “Incentive Rewards Program Rollout”*

“Thank you very much. That was fast, excellent service.”

**“An ounce of loyalty is worth a pound of cleverness.”**

-Elbert Hubbard
